Videos

- University of Oxford invited me to be featured in a [Policy Engagement film](#), describing the policy engagement I have achieved through my research, with the European Parliament and the IUCN Red List status update. The video can be watched [here](#): <https://www.youtube.com/watch?v=tVzgN6cmDi4>
- University of Oxford invited me to be featured in an [Impact Film](#) promoting the important research taking place at the University of Oxford, alongside brilliant researchers like the team creating the COVID-19 vaccine. My video can be watched [here](#): https://www.youtube.com/watch?v=ymK8_JycW0s
- A documentary about my research is being produced with funding from the Novo Nordisk Foundation. Documentarist: Peter Alsted. Production company: ELK Film. To be launched at CPH:DOX 2028.
- A documentary about the interdisciplinary research and extraordinary lives of my husband, Dr Troels Pank Arbøll and me is being produced. Documentarist: Frederik Hof Sonne. Release is planned for 2028.
- A Hollywood movie about the research and extraordinary lives of my husband, Dr Troels Pank Arbøll and me, is being produced. Director: Cary Fukunaga. Script writer: Rosemarie Vind. Release is planned for 2028.

Nature documentaries

- BBC Wild London, featuring Sir David Attenborough. Consultant role (not featured in the recordings), informing about hedgehog conservation and hedgehog mating behaviour. Launched in January 2026. Watch it [here](#). A statement about my contribution is available [here](#).
- Våra Vilda Grannar. Launched in December 2025. Sveriges Television (SVT), Charlotte Bhatt: Sveriges Television is producing a series about wildlife, with the theme of saving wild animals that are hurt by humans/human inventions. I am featured in the documentary episode 3 showing the research on hedgehogs and robotic lawn mowers and explaining about the hedgehog friendly garden and my research on pesticide accumulation in the hedgehogs. You can watch the episode [here](#).

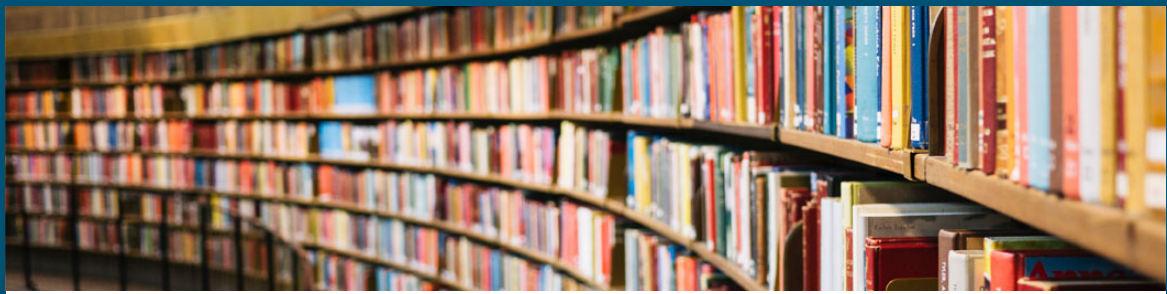

- ARTE television, Heiko De Groot: "Welcome To The Neighbourhood - Wildlife In The City". Launched 27th of February 2025. I am featured in the documentary showing the research on hedgehogs and robotic lawn mowers (from 24:44-28:45). An English version can be downloaded [here](#). Password: Welcome2025
- [Vilde Vidunderlige Danmark](#) (hedgehog expert consultant, not featured), episode 5, launched in 2020.
- In preparation: Danish National Television DR, Trina Rosenberg: Nature and climate. Consultant role (not featured in the recordings), informing about hedgehogs and climate and their threats. Planned launch in 2026.
- In preparation: BBC, Matias Gaggiotti Lion TV: Digital monitoring of the wildlife of Britain.
